PROFILE

As a young woman, Cindy has had a passion for the beauty in design. She started her career as a young artist helping friends and family decorate and renovate their homes. One of her projects received recognition and was featured in a local New Jersey magazine. Her early design success and word of mouth recommendations led to additional free-lance design

WORK EXPERIENCE

OWNER - DESIGNER

FDG Interiors, LLC

Fetterman Design Group | 2017 to Present

Interior Designer for both residential and commercial projects with a strong drive to create functional and visually appealing spaces. Stive to pursue designs in multi-faceted environments fashioning spaces that promote healing and birthing beautiful areas that bring the clients vision to life, where beauty meets function and attention to detail.

- Completed more than 20 residential projects involving entire bathroom renovations, home additions, kitchen renovations. In addition, worked on the design of bedrooms, living and dining rooms, space planning, color consultations, lighting selections, and holiday decorations.
- Commercial projects for a multi-million-dollar Financial Group in Horsham, PA that included finish selections, custom cabinetry designs, commissioned custom artwork compositions, wall-covering, and lighting selections.
- Completed the renovations of Calvary Assembly of God Church that included bathroom renovations, Sunday School renovations, and sanctuary renovations.
- Completed a stunning environment for children for the Dreams Daycare included a bathroom, full laundry room, nursery/play area.
- Contributing Journalist to Philly Row Home Magazine since 2018.
